- Mrs. Enger shared information on Daily 3 Math and the different stations. The students can choose math with someone, math by themselves, or math writing. Each of these options helps improve their math skills.
- Mr. Harlan shared information on Reading Daily 5. There are 5 different stages providing different learning environments.

VII.B. Principal(s)

Ms. Galyean's Report:

- Session 2 for tutoring started today for K-2 students.
- Parent / Teacher conferences are scheduled for February 2 and 3, 2022. Letters will be going home soon.
- Welcome Ashley Henegar to our team!

Miss Henegar's Report:

- It has been a crazy two weeks so far, but I am really enjoying the job.
- MAP testing started in our building last week - students & teachers are working hard.

- Tutoring started back up again tonight and will run through the end of the 3rd quarter. Parents that I have spoken too seemed very happy with the option of tutoring or study hall and they have a bus to take their students home.
- Our athletes have been very excited about the games. I see it working well with some of our students that tend to get into trouble at school as an incentive to keep working hard and stay out of trouble.
- We did an out of the "blue" treat day with our staff, and it was received very well! We had blue-themed snacks in the teachers' lounge (blueberry muffins, breakfast bars, chips/pretzels, mini drumstick cones, cookies and candy).

- Mrs. Forck shared a thank you with Ms. Galyean for running her building very well
