- She shared with the Board members what she has learned this past school year, what it has taught her and how to implement what works within our school setting.
- Ms. Hart shared data on mental health along with social and emotional learning.

VII.B. Principal(s)

Miss Henegar:

- Last week of school flew by with our staff and students. The students really enjoyed the PBIS celebration. They had a half day outside with perfect weather. We had an inflatable slide and an inflatable obstacle course. They played games outside, as well as did minute-to-win-it activities. They had Kona ice and ice cream sundaes. They were able to watch the new movie, "The Bad Guys" in the gym to cool down and relax.
- Teachers have been working on curriculum this month. It has been a positive culture in the Commons with teachers sharing ideas, and running through ideas and plans with each other and working together.
- I have appreciated my 6 months as a principal at the Intermediate school. The teachers, assistants, support staff and office staff could not have been more helpful. They have been there for support and to run ideas by. I have enjoyed getting to know the ins and outs of being an administrator, and am looking forward to the next school year!

Ms. Galyean:

- End of the year PBIS Celebration with Kona Ice was a hit with our students and staff. Everyone enjoyed a day of activities.
- Construction is moving along and it is exciting to see all the changes.
- Thank you to all the staff, students and families of Pleasant Valley for their support and flexibility this year.
- Wishing everyone a great summer!
