

November 29, 2023

Dear Parents/Guardians,

If needed, Pleasant Valley School District #62 will be using E-Learning days during the 2023-24 school year. E-Learning days provide access to learning on days when there are school cancellations due to inclement weather. These days are designed to provide continuous learning when school is canceled. E-Learning days eliminate the need for makeup days at the end of the school year.

In case of an e-learning day, I ask that all students log into Google Classroom. There, they will find their assignments for the day. All assignments will be posted by 9:00am. I will be available that day via email from 9:00am - 2:00pm to assist in any way that we can to make the day as smooth as possible. In Google Classroom, I will also post times that are available for Google Meets in order to help students achieve their work for the day.

Please do not hesitate to ask us any questions. If you do not have a device at home, please let us know, so we can make other arrangements.

Sincerely,

Ms. Pantages (epantages@pv62.com)
