

November 22, 2024

Dear Parents/Guardians,

If needed, Pleasant Valley School District #62 will be using E-Learning days during the 2024-25 school year. E-Learning days provide access to learning on days when there are school cancellations due to inclement weather. These days are designed to provide continuous learning when school is canceled. E-Learning days eliminate the need for makeup days at the end of the school year.

In case of an e-learning day, Mr. Corbin and Mr. Mondragon ask that all students log into EACH Google Classroom. There, they will find their assignments for the day. All assignments will be posted by 9:00am. Both of us will be available that day via email from 9:00am - 2:00pm to assist in any way that we can to make the day as smooth as possible. If there is additional help needed, we can schedule google meets times as needed.

Please do not hesitate to ask us any questions. If you do not have a device at home, please let us know, so we can make other arrangements.

Sincerely,

Mr. Corbin & Mr. Mondragon
