

Birthday and Holiday Treat Policy

As a district our mission is to engage, inspire, and empower our students. That requires us to focus on instruction, and minimize classroom interruptions. Therefore the following birthday and holiday treat policy will be strictly enforced.

- **Treats cannot be dropped off without contacting the classroom teacher at least 24 hours in advance**
- Treats will be dropped off at the office. Parents **will NOT** be allowed to take treats to the classroom
 - Except during the scheduled holiday party time
- All treats must be store bought
- Treats should be kept simple; nothing that needs to be refrigerated should be sent. Items such as cookies are best (NO ice cream)
- Balloons, flowers, gifts, etc... are not allowed at school

I, _____ understand and will follow the Pleasant Valley Birthday and Holiday Treat Policy.
