

Bright Futures December Newsletter

The spirit of the season is upon us! The weather outside is starting to get frightful. Please be sure your child arrives to school with a warm coat, hat, and mittens. We are required to conduct outdoor play pending temperatures above freezing. Furthermore, we ask that you please *label your child's apparel* to avoid any misplacement.

Inside, we hope to stay warm and cozy. Our classroom is getting ready to look festive. We hope to begin constructing our classroom tree; plan to create evergreen wreaths; decorate seasonal ornaments; and introduce various multicultural customs and greetings.

Our holiday unit plans to further integrate literature, science, mathematics, dramatic play; music and cooking activities. We will be concluding the unit with a holiday performance on Thursday December 13 at 9:00am in the Middle School Commons.

We wish you a very safe, enjoyable holiday and a very happy New Year!

Just a reminder... NO SCHOOL Friday December 7 for Bright Futures Students ONLY! This is a professional development day for our Pre–K program staff. All other classes will resume as usual.
