

November 15, 2024

Dear Parents/Guardians,

If needed, Pleasant Valley School District #62 will be using E-Learning days during the 2024-25 school year. E-learning days provide access to learning on days when there are school cancellations due to inclement weather. These days are designed to provide continuous learning when school is canceled. E-learning days eliminate the need for makeup days at the end of the school year.

In case of an e-learning day, I ask that all students log into Google Classroom. There, they will find their assignments for the day. All assignments will be posted by 9:00 am. I will be available that day via email from 9:00 am - 2:00 pm to assist in any way that we can to make the day as smooth as possible.

Please do not hesitate to ask us any questions. If you do not have a device at home, please let us know, so we can make other arrangements.

Sincerely,

Ms. Pantages (epantages@pv62.com)
