

# HAPPY NEW YEAR

from The Learning Technology Center of Illinois  
**SPARK Program!**

**Check out these FREE resources to help  
school communities tackle the new year!**

*Click on a resource to learn more about it.*

## Parent Resource Hubs

Technology troubleshooting and answers to common parent concerns, all in one place.

Available in English and Spanish for Google Classroom, Microsoft Teams, SeeSaw, Canvas, Schoology, and Zoom.

## Parent Video Library

On-demand webinars and videos specifically for parents and caregivers.

## "Get to Know Your LMS" Videos

Orientation overviews for parents and caregivers for Google Classroom, Microsoft Teams, Canvas, and SeeSaw.

## SPARK Parent Podcast

Connecting parents and caregivers with the resources and support they need to help their families thrive during remote learning.

## Promoting Reading in Remote Learning

Strategies, apps, websites, and resources to get (or keep) kids reading while at home during remote or hybrid learning.

## SEL & Well Being in Remote Learning

Strategies, apps, and resources to help parents and caregivers promote student SEL and well-being in the home.

## Learning at Home for Preschoolers

Expert recommendations for at-home learning from Susie Allison of Busy Toddler.

## School/District SEL Check-In Form

Easily gauge the SEL health of your school/district community using these two forms. Available as a Google or Microsoft Form in several languages.

## Student Email Etiquette

Simple infographic reminding students of proper email etiquette. Available in multiple sizes for social media sharing.

## Parent Guide to Remote Learning

Five quick reminders to help parents and caregivers set their students up for remote learning success at home. Available in multiple sizes.

## Interactive Schedule Builder

Customizable daily schedule to help keep students on track. Available with either pictures or text.

## "Parenting in a Pandemic" SEL Course

Self-paced course for parents and caregivers on the principles of social-emotional learning in relation to the pandemic.
