

Holiday Reading Challenge

Pleasant Valley Middle School will be having a Holiday Reading Challenge that will begin on December 22nd and continue until January 7th. Students are asked to read daily. The top students with the most minutes read from each grade level will be chosen. The top students must meet two requirements: turn in their Reading Log on time, completed with parent signatures. Winners will be presented with an award at the January 15th Board of Education meeting. Please encourage your students to participate in this fun challenge! As a bonus, the class that has read the most minutes outside of the classroom will earn a Pizza Party!
