

Directions for Pleasant Valley Remote Learning

- For the week of March 30 there will be two days worth of activities. These activities will be available online April 2 and at meal pick up locations this Friday, April 3. Every other week moving forward, you can pick up assignments and supplies for your students at any of our 6 designated meal pick up locations or online at pv62.com on **Mondays**. Here are the times and locations:

9:00 - 12:00	PV Primary
9:00 - 12:00	PV Intermediate
9:00 - 9:40	Woodlands
10:00 - 10:40	Aspen Bluffs
11:00 - 11:40	Lexington Hills
12:00 - 12:40	Royal Oaks

- Students will choose one activity to complete under each of the six subjects for each day. By the end of the week, all activities on the weekly choice board should be completed.

This work is REQUIRED

How to Turn in Completed Work

- Students are strongly encouraged to turn work in electronically by **Monday**
 - Turn it in on Google Classroom (if your teacher is using Google Classroom)
 - Email your teacher at their PV email (teacher's first initial and last name @pv62.com example: sjohnson@pv62.com)
 - Take a picture of the work and text it to your teacher through a classroom app (for example Class Dojo, Remind, or Seesaw)
- If you do not have a way to electronically submit your work, drop it off on Monday at the food distribution sites listed above. A staff member will be checking off who turns their work in at those sites.
- If you have questions please email your teacher or contact them through Google classroom, if they use it, or a classroom app. **Teachers will be available Monday through Friday 9:00 am to 2:00 pm.**

Connecting with Our Students

- Teachers and staff members will be reaching out to talk to their students each week by phone. You can expect 2-3 calls a week from various staff members. We want your students to feel connected.
