<b>Mindheart</b>	<a href="https://www.mindheart.co/descargables">https://www.mindheart.co/descargables</a>	Author Manuela Molina's book supports and reassures our children, under the age of 7, regarding the COVID-19. This book is an invitation for families to discuss the full range of emotions arising from the current situation. It is important to point out that this resource does not seek to be a source of scientific information, but rather a tool based on fantasy. Manuela Molina's recommendation is to print this material so children can draw on it. Remember that emotions are processed through repetitive play and stories read multiple times. Available in 17 languages!	Free
